Lift & Trim system

BT3206/14

3-day beard made easy

Lift & Trim system cuts 30% faster*

This trimmer with the innovative Lift & Trim system lifts and captures more low-lying hairs for efficient, even trimming results. This way you will easily achieve the 3-day stubble, short beard or long beard look you want.

Easy even trimming

- Lift & Trim comb guides hairs to the blades for an even trim
- Stainless Steel Blades for long-lasting sharpness
- Skin-friendly blades for smooth skin

Easy to use

- 10 lock-in length settings, 0.5 - 10mm with 1mm precision
- 45 minutes of cordless use
- Light on the adaptor indicates when the battery is charging
- Detachable head for easy cleaning
- Ergonomic design for easier handling

Built to last

- 2 year guarantee, worldwide voltage, no oil needed

BT3206/14

Highlights

Lift & Trim system

Trim your stubble beard with our new Lift & Trim system: the comb lifts and guides the hairs to the level of the blades for an even trim.

Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective as on day 1.

Skin-friendly blades

Blades have rounded tips for smooth contact with skin to prevent scratching and irritation.

Zoomwheel - 10 length settings

The zoomwheel lets you choose from 0.5 to 10mm length settings, with 1mm precision steps.

45 min cordless use

Charge your trimmer for 10 hours to get 45 minutes of cordless use.

Battery charging indicator

The battery charging indicator on the adaptor lets you know with a green light when your device is charging.

Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.

Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

Built to last

We back this Philips trimmer with a 2-year guarantee: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
